*Sensitive Data: Information of a confidential or proprietary nature and other information that would not be routinely published for unrestricted public access or where disclosure is prohibited by laws, regulations, contractual agreements or University policy. This includes (but is not limited to) full name or first initial and last name and employee ID (in combination), identifiable medical and health records, grades and other enrollment information, credit card, bank account and other personal financial information, social security numbers, grant reviews, dates of birth (when combined with name, address and/or phone numbers), user IDs when combined with a password, etc.

*Note: The above questions assume the stolen device was either owned by the University or being used for University purposes. If the device is personally owned and used solely for personal data, please note this in the 'comment' section and do not complete the questions.

For questions, contact the University Information Security Office at isopol@exchange.louisville.edu or Kim Adams - 502/852-6692.
